

## **AERO INSTITUTE OF TECHNOLOGY AND MANAGEMENT STUDIES**

### **IT'S TIME TO FLY HIGH**

#### **About**

The Aero Institute of Technology and Management Studies, established in 2015, commenced its academic journey in July at Chembumukku, Kakkanad, Kochi. Adopting a systematic approach, Aero Institute of Technology addresses the growing demand for skilled professionals in the global aviation, hospitality, and logistics sectors. Our mission is to contribute to the nation by delivering top-notch training and education across various industries, fulfilling the aspirations of the younger generation. Committed to providing outstanding facilities for goal-oriented individuals and supplying society with a competent workforce, we consistently strive for excellence in every endeavor. To achieve this, we engage in outsourcing certification classes and facilitating placements in various government colleges as well. With a legacy boasting 2,500 successful alumnae stories and 60% of alumni currently employed abroad, AITMS continues to thrive in the industry.

#### **Mission**

Impart world-class, real time, experiential, value-oriented training to fulfil the career dreams of an aspiring young professional.

#### **Vision**

To be a leader in providing integrated training programs for creating the nextgen human capital.

#### **COMMUNICATIVE ENGLISH WORKSHOP**

At AERO, we provide the upgraded syllabus, which ensures that our students improve their communication and language skills. It is a workshop that enhances and moulds the

future of our students. In this workshop, we give individual attention to helping our students develop their personalities and train them well for interviews.

### **100% PLACEMENT ASSISTANCE**

The college's training and placement, career guidance, and entrepreneurship cell offer students the support and guidance required to reach their career goals. It works in such a way that it pulls the requirements from the industry towards the campus according to the courses provided in a highly professional manner. It fulfills all the needs of a candidate for a job.

### **MOCK INTERVIEWS**

Stress can hold back any candidate, but doing mock interviews is a great way to deal with it. It helps you practice and boosts your confidence for a real international interview.

### **GALILEO (GDS)**

Galileo is a computer reservation system (GDS) owned by Travel port. As of 2002, it had a 26.4% share of worldwide CRS airline bookings. In addition to airline reservations, the Galileo CRS is also used to book train travel, cruises, car rental, and hotel rooms. Galileo is subject to the Capps II and its successor Secure Flight program for the selection of passengers with a risk profile. Galileo is a member of the International Air Transport Association, of the Open Travel Alliance and of SITA.

### **IATA**

The International Air Transport Association (IATA) provides a range of training courses in the air travel sector. As the trade association for the world's airlines, IATA represents approximately 320 airlines, constituting 83% of total air traffic.

## **SCHOLARSHIP EXAM**

In the domains of aviation, logistics, and hospitality, job opportunities are notably abundant compared to other industries. However, many perceive these fields as inaccessible for ordinary individuals. With our "Scholarship Exam," aspiring individuals can turn their dreams of soaring high into achievable goals.

## **EDUCATION LOAN ASSISTANCE**

## **OUR UNIQUE FEATURES**

The word "unique" itself says it should be different from everything. At Aero, we deliver on what we promise. Offering exceptional training and individualized focus to each student in a distinctive manner, our track record of success in the past underscores this commitment.

## **SWIMMING CLASSES**

As part of the academic curriculum, students will undergo swimming lessons led by experienced coaches, aiming to improve their expertise in their specific fields.

## **GROOMING**

A team of professionals will conduct grooming sessions for students, aiming to amplify their awareness of the significance and necessity of grooming. Additionally, each student will be provided with a grooming kit to support their practical application of these skills.

## **AIRPORT VISIT (CIAL)**

To gain practical insights into the operations and responsibilities of airports, students will embark on a one-day visit to Cochin International Airport Ltd (CIAL). This experience aims to provide them with a firsthand glimpse into potential career paths.

## **FLIGHT TRIP TRAINING**

As a component of the curriculum, students will participate in field trips, including both domestic and international flights. This immersive approach aims to deepen their comprehension of the course and offer firsthand experience, enhancing their overall learning.

## **PART-TIME JOB**

It offers not just income but also the assurance that comes from encountering diverse styles and cultures. This experience provides more confidence than anything else, revealing the true essence of "how, which, and what" a job truly entails.

## **FOREIGN LANGUAGE TRAINING**

The AITMS syllabus incorporates language training sessions, facilitating students in achieving fluency in foreign languages. This strategic approach aligns with the international scope of our courses, enhancing their opportunities for successful placements abroad. As part of our communicative training, we also offer English and Hindi language sessions.
